Didi, You may study thoroughly and may comment and suggest me, ok.

Je voudrais mettre le site de Partage dans notre site mais ça ne fonctionne pas, je ne sais pas pourquoi.

Je vais au village après demain voir les enfants et les profs. Je pense qu'on fait un projet simple. Si vous êtes d'accord je vais annoncer de préparer les bois.

Hier , j'ai rencontré Véro avec son ami Victor qui est allé chez vous au mois d'Avril. ils nous ont dit qu'ils ne savaient pas venir au Népal . ils sont venus pour acheter des handicrafts, c'est génial.

Merci d'avance,

Gros bisoussssssssssss
